

Kamalesh S

Frontend Web Developer | M.Sc. Computer Science
+91-6369916750 | skamalesh0204@outlook.com | LinkedIn | GitHub | Kanchipuram, Tamil Nadu

PROFESSIONAL SUMMARY

Results-driven Frontend Web Developer and Computer Science postgraduate with a strong foundation in building **responsive, accessible, and performant web applications**. Proficient in **React.js, JavaScript (ES6+), HTML5, CSS3, and Bootstrap**, with hands-on project experience across the full development lifecycle. Skilled in **component-driven UI architecture, DOM manipulation, and REST API integration**. Passionate about crafting clean, user-centric interfaces and eager to contribute to product-focused engineering teams.

SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Bootstrap, Responsive Web Design, Mobile-First Design

Web Concepts: DOM Manipulation, React Hooks, Component Architecture, REST API Integration, JSON, Flexbox, CSS Grid

Backend & Database: Node.js, Express.js, MongoDB

Programming Languages: Python, C++

Tools & Workflow: Git, GitHub, VS Code, Chrome DevTools, MS Excel, Office Tools **Soft Skills:**

Problem Solving, Team Collaboration, Communication, Adaptability

PROJECTS

To-Do List Web Application HTML, CSS, JavaScript • Engineered a fully **responsive task management application** with complete CRUD functionality — add, edit, and delete tasks.

- Implemented **real-time dynamic DOM manipulation** for instant UI updates without page reload, improving perceived performance.
- Applied **mobile-first design principles** ensuring seamless cross-device compatibility across all screen sizes.

YouTube Clone — Frontend Interface Replication HTML, CSS • Recreated the **YouTube homepage UI** with pixel-accurate layout replication, demonstrating strong visual attention to detail.

- Leveraged **CSS Flexbox and Grid** to build a modern, fully responsive multi-column page structure.
- Maintained clean **semantic HTML markup** and consistent cross-browser styling for accessibility and SEO best practices.
- E-Commerce Web Application** HTML, CSS, JavaScript, Bootstrap • Built a **multi-page responsive e-commerce platform** featuring product listings, interactive UI components, and a mobile-friendly layout.
- Utilized **Bootstrap grid system** alongside custom CSS to deliver a polished, professional storefront experience.
- Incorporated interactive JavaScript components to **enhance the user shopping experience** and drive engagement.

EDUCATION

Sri Sankara Arts and Science College — M.Sc. Computer Science CGPA: **8.2** 2024 – 2026

Sri Sankara Arts and Science College — B.Sc. Computer Science CGPA: **7.3** 2021 – 2024

CERTIFICATIONS • Frontend Web Development Program (15 Days) — Coursevita

- **HTML, CSS & JavaScript** — Great Learning Academy
- **Advanced C++ & Java Programming** — Spoken Tutorial Project, IIT Bombay

• **Full Stack Development (30 Days)** — NoviTech R&D Private Limited
